

MISSION  HOSPICE
& HOME CARE

Mission Hospice helps patients and families live life to the fullest

Our local, independent nonprofit supports patients and families in the San Francisco Peninsula and South Bay with personalized, compassionate end-of-life care.

Since our founding in 1979, we have provided thousands of patients and their families with physical, emotional, and spiritual support throughout the journey from a life-threatening diagnosis through death and bereavement.

Our patients receive care in their own homes, in assisted living and other facilities, and in our hospice house – a peaceful, homelike option for those at the very end of life whose symptoms cannot be managed at home.

2024 Poker Night to benefit our patients and families

The Mission Hospice Auxiliary is proud to organize our first-ever Benefit Poker Night, scheduled for Friday, May 10 at the Foster City Recreation Center.

Proceeds from this event will help us serve people regardless of their medical coverage or ability to pay.

Your sponsorship of the 2024 Benefit Poker Night supports exceptional care for our community.
