Mission Hospice & Home Care serves patients and families in the San Francisco Peninsula and South Bay with personalized, compassionate end-of-life care and education.

Founded in 1979, our local, independent nonprofit has supported thousands of patients and their families through illness and bereavement.

Donations from the community support our exceptional care and educational programs, and help us serve people regardless of their medical coverage or ability to pay.

The Mission Hospice Auxiliary

The Mission Hospice Auxiliary raises hundreds of thousands of dollars each year to support Mission Hospice patients and programs.

The Mission Hospice Auxiliary was organized in 1984 by volunteers who wanted to support hospice patients and their families in our community.

The Association of Fundraising Professionals Silicon Valley Chapter named the Mission Hospice Auxiliary the **Outstanding Philanthropic Organization**.
