MISSION HOSPICE & HOME CARE
it's about life

Home Health RN Case Manager (Full-Time) Opportunity

About Mission Hospice & Home Care:

Mission Hospice & Home Care serves patients and families in the San Mateo County and northern Santa Clara County areas with quality care and compassionate end-of-life support and education. Founded in 1979, we are a local, independent nonprofit that has cared for more than 11,000 patients and their families.

If you are committed to quality patient care and want to be a part of a supportive and dedicated staff, we invite you to join our team.

About the Position:

The registered nurse visits patients in home, providing skilled care, treatment, education on disease process, medication management, symptom management, wound care, and infusion care. Assesses patients and families for their physical, social, and psychological care and needs. Case manages patients in collaboration with a multidisciplinary team, including physicians.

Responsibilities:

- Assumes care management for patients and families of Mission Hospice & Home Care, in conjunction with physicians, an Interdisciplinary team, and other professional agencies.
- Assesses the patient/family in the home setting and implements the interdisciplinary group Plan of Care.
- Helps develop, evaluate and revise patient Plans of Care in conjunction with the Director of Advanced Care, other members of the interdisciplinary group, and the patient's attending physician.
- Participates in interdisciplinary care conferences.
- Drives to patient homes for regularly scheduled visits for provision of care, and for ongoing assessment of physical, psychological, social, and spiritual factors that may influence patient/family well-being; communicates new information to the interdisciplinary group, plans for bereavement follow-up with families. Provides education and training to patients, families and caregivers.
- Attends in-service training workshops and conferences as needed to stay current with changing trends in nursing and hospice services.
- Keeps up-to-date medical record documentation, including OASIS assessments at appropriate times.

Qualifications:

- Current California RN license.
- One year acute RN experience or home care experience caring for patients with advanced illness, pain and symptom management.
- Valid California driver's license and an automobile that is insured in accordance with state and organization requirements.
- Places a high value on the dignity and worth of the patient/family.

- Computer proficiency in Microsoft Office, and ability to utilize computer skills in daily work, including filling out forms and using email. Ability to learn and use Mission Hospice & Home Care software.
- Knowledgeable about Medicare regulations and OASIS.
- Organizational, communication, problem solving and interpersonal skills.
- Works well with volunteers.
